Scotland

"Excellent course, the videos and photo examples put into context the risks that can exist in a facility within the supply chain and how SA8000 has been designed to mitigate the risks."

David Nelson, 16-20 March 2015, Edinburgh

The trainer was knowledgeable and very supportive. He was very patient and was able to deliver the course clearly and effectively.

Mohammed R., 12-16 May 2017, Bangladesh
